you are
LIMITLESS

Beauty is not a one-size fit all.

Beauty is unique. Beauty is limitless.

It is our passion to constantly innovate ourselves, redefining the beauty needs of women since 1959, curated to unveil a whole new you, awakening your beauty potential that you did not know exists.

Strength is beauty. Women is limitless.

You are limitless.

*You can be anything you want to be
as long as you set your heart and desires to it.*

Live fiercely, love fearlessly.

BE BOLD, BE ICONIC, BE RELEVANT.

Love,

House of ULTIMA II

new york
HERITAGE

The story began in 1959, New York.

*ULTIMA II placed a mark in the history of beauty and skincare by presenting “**ULTIMA – Precious Cream**”, powered by 3 youth forces that targets stimulation, nourishment and moisture to the skin.*

A dedication to all women who spends a lifetime living up to her potential, this was ULTIMA II’s maiden journey in quest of the secret to everlasting youth becoming who she is today.

holistic

BEAUTY JOURNEY

House of ULTIMA II is about perfecting of what exists to create a beauty experiential journey through bespoke treatments performed by our professional expertise with advanced technology equipments powered by pioneering formulas developed after extensive years of research.

MANHATTAN

glamour

A treatment that is light years ahead of its time, this advanced skin brightening treatment is a remarkable unison of several potent whitening actives with efficacious lightening effects perfectly paired with the exclusive Illuminaire Light Technology that works on targeted skin that helps to protect and maintain healthy dermal cells. A complex of 7 intensive actives work via an innovative 3D Lightening approach that targets existing melanin and prevents the occurrence of future discolorations.

**Clinically proven to be more effective than other common single component whitening actives. Stubborn pigmentation and brown spots are lightened for a perfectly illuminated complexion. Skin regains brilliance and translucency while retaining its inherent luminosity.*

Treatments Backed By Science - *face*

hot in

MANHATTAN

A Thermal therapy that encourages detoxification, lymphatic drainage and supports a healthy regular circulation system with a combination of potent blends to work synergistically to effectively target fatty deposit tissues to promote lipolysis.

A breakthrough innovation that won a HBA Award for Best New Technology Launch.

Treatments Backed By Science - *face*

GOTHAM CITY

essential wrap

Inspired by the natural process of Thermogenesis, whereby the body burns an increased amount of fat to fight the cold. This signature treatment combats fatty deposits by increasing your basal metabolism to induce fat loss. One treatment burns up to 1000kcal and proven to deliver an average of ½ pound of weight loss per session.
